This responds to your request for additional information dated September 13, 2016 regarding the Committee's July Monthly Report (June 1, 2016 through June 30, 2016).

Payments for salary disclosed on the report were for employees who spent 25% or less of their time during the period on Federal Election Activity (FEA) or activities in connection with a federal election. The committee did not have any employees who spent more than 25% of their time on FEA during the relevant reporting period, and thus did not have any salary payments to disclose on Schedule B, line 30(b). Rather, all payments for salary were disclosed as allocated administrative expenses on Schedule H.
